BININGER'S
OLD LONDON DOCK
GIN
 A. M. BININGER & CO.,
 (ESTABLISHED 1778.)
 SOLE IMPORTERS,
 No. 323 Broad Street, New York.

THIS DELICIOUS TONIC, ESPECIALLY
FOR THE USE OF THE

medical Profession and the Family,
possesses these INTRINSIC medicinal properties,
[emic and Diuretic] which belong to an

OLD AND PURE GIN.

The business of manufacturing spurious Gins, and
mixing them as beverages, under the titles, "Aro-
matic," "Cordial," "Medicated," &c., has become so
common, that the public are justly suspicious of
every article of the kind. The trade has been brought into disrepute,
and has remained for our house (established in 1762) to
supply the pressing popular need, and to introduce
new in the history of the Trade. We trust that
our long and successful experience abundantly vindicates our claim
to a public confidence.

N. B.

A comparison of "Bininger's Old London Dock
Gin" with others bearing similar names, will estab-
lish the fact that ours is the only one that is

Put up in Quart Bottles, in Cases of one and two
dozen each, and sold throughout the world by Drug-
gists, Grocers, &c.
